**Subject:** 738 Upper Mountain Road-Assessment Results: August 11, 2017  
**Attachments:** Radon Results Report - 738 Upper Mountain Road, Lewiston NY.PDF; Radon Lab Results - 738 Upper Mountain Road, Lewiston NY.pdf; UMR 738 Upper Mountain Road Interior Gamma Summary Letter August 2017.pdf

Good Morning:

Attached are the results from our assessment on August 11<sup>th</sup> at Mr. Grace's home. The results indicate that there is no gamma readings above the natural background readings. Also, we have results from radon canisters and a real time radon monitor during a three day period. No radon results exceed the 4 pCi/L action limit. Please let me know if you have any questions or concerns.

Regards,

Eric M. Daly
